- ASBA Zone 6 2017/2018 Budget approval – *Lori Hodges (attachment)* (10:25)
- Cannabis Presentation – (10:35 – 12 noon)
 - **Preparing Alberta schools for cannabis legalization**
This presentation is aimed at helping school boards prepare for cannabis legalization. Cannabis legalization has the potential to renormalize smoking, increase exposure to secondhand smoke, and impact substance abuse prevention efforts. This presentation will include a review of effective policies, practices and programs to prevent tobacco and cannabis use among youth. School boards can take effective measures to reduce the negative impacts of cannabis legalization on young people. ASH can help your school district prepare for this fast-approaching and far-reaching policy development.
